

Culture Impact Ministry Quick Start Guide

Giving practical help to the church so it can make a positive impact on our community, state and nation

Why The Need

(see manual)

25-35% of voter eligible church members are not registered to vote

Of those registered, only

- 5% vote in Primary Elections**

Many elections are determined by **1-3% of VOTES**

1 Form a Team

(see manual - pg 9)

Gather at least 2-4 others to form your team so you don't burn out
